

**INVITATION FOR COMPETITIVE SEALED PROPOSAL**

**201410 “Engineering Consultant Services for Master Water Distribution Plan for  
Texas State Technical College Waco Campus”**

**ADDENDUM # 1 (posted 1-23-14)**

The following information becomes a permanent part of the Proposal Invitation document:

Is any of the funding for this work coming from the Texas Water Development Board? The reason I ask is twofold:

- TWDB requires an Environmental Information Document for projects they fund, and I didn't see that task in the scope of work; and
- TWDB has funding available for this type of work, if you haven't already considered seeking funding from them.

**Currently TSTC is not pursuing funding from the Texas Water Development Board (TWDB). The programs available from TWDB are not suitable for the financial structure of TSTC.**
