

**INVITATION FOR COMPETITIVE SEALED PROPOSAL**

**RFQ 130326 “On-Call Land Surveyor for TSTC Waco Campus”**

**ADDENDUM # 2 (posted 4-8-13)**

The following information becomes a permanent part of the Proposal Invitation document:

**RFQ Questions**

1. In the RFQ document, article 7.9 refers to an attached signature page. There is no attached signature page in any of the four documents I have downloaded regarding this RFQ. Is it appropriate to prepare a signature page that addresses requested items as enumerated in this article and include in our response?

**The reference to the attached signature page should have been deleted. There is no signature page needed.**

2. The Hub Subcontracting Plan (HSP) document included in the RFQ documents states in the Agency Special Instructions/Additional Requirements box that respondents shall submit a Hub Subcontracting Plan (HSP) that meets the Good Faith effort in Method B (Attachment B). Based on the size of our firm and the breadth of the services we are able to provide in-house, we feel we are entirely capable of providing all services on any engagement that may come up in the future as a result of a project contemplated by TSTC. However, we do not wish to be non-responsive in submittal. We can self-fulfill or address the Method B HSP. If we responded with a self-fulfilling HSP, will this disqualify our submittal?

**There will be no disqualification for self-fulfilling the HUB Subcontracting Plan.**

3. We have reviewed the Draft Agreement and have no substantial issues with the terms or language. We do have some de minimus edits we would like to see incorporated in the agreement, with of course mutual agreement. Is TSTC open to such a request?

**Edits to the agreement would have to be reviewed and approved by TSTC's General Counsel during the contract negotiations, when or if the respondent is selected.**
