

POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBs)

In accordance with the Texas Government Code, Sections 2161.181-182 and Section 111.11 of the Texas Administrative Code (TAC), The Board of Regents of the Texas State Technical College shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction services, including professional and consulting services; and commodities contracts. The Texas Building and Procurement Commission (TBPC) HUB Rules 1 TAC Sections 111.11-111.28, encourage the use of HUBs by implementing these policies through race-, ethnic- and gender-neutral means.

The purpose of the HUB Program is to promote full and equal business opportunities for all businesses in State contracting in accordance with the following goals as specified in the State of Texas Disparity Study:

- **11.2% for heavy construction other than building contracts;**
- **21.1% for all building construction, including general contractors and operative builders contracts:**
- **32.7% for all special trade construction contracts;**
- **23.6% for professional services contracts**
- **24.6% for all other services contracts, and**
- **21% for commodities contracts.**

Texas State Technical College shall make a good faith effort to meet or exceed these goals to assist HUBs in receiving a portion of the total contract value of all contracts that Texas state Technical College expects to award in a fiscal year. Texas State Technical College may achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, Chapter 2161, Subchapter F.
